1992 Bell 206L3 LongRanger Helicopter

This 1992 Bell 206L3 Longranger is one of only a few on the 'G' register, has been in the UK since 2002 and has been used for Charter and VIP work.

The Longranger has 5 seats in the rear compartment and 2 seats up-front. The Longranger is the big brother to the JetRanger and has more power and better range. The aircraft is fully maintained with no outstanding SB's or AD's and there is no accident history on the aircraft.

Full VIP Beige Leather interior with Metallic Blue and Silver stripes.
